RETIREMENT INCOME PLAN 1987**

**SUMMARY OF MATERIAL MODIFICATIONS
OCTOBER, 2016**

This Summary of Material Modifications ("SMM") describes a change recently made to that Plan:

On March 9, 2016, the Trustees of the Plan unanimously adopted an amendment to the Retirement Income Plan 1987 summarized as follows:

A participant or beneficiary dissatisfied with a decision set forth in a Claim Review Opinion may seek relief by initiating litigation as allowed by law. Any such litigation must be filed within one-calendar year of the date on which such participant knew or should have known of the decision in the Claim Review, otherwise, any such litigation will be time-barred. The Administrator shall promulgate rules for determining whether particular litigation has been commenced within this one-year period.
